# WELCOME TO FINE FOOD NEW ZEALAND 2016

Fine Food New Zealand is the foremost international food, beverage and equipment trade exhibition in the country, bringing together the very best of the food retail, foodservice and hospitality industries so you can see what's on offer, do good business, and make new connections.

As always, we want to thank you, our visitors, for choosing to attend Fine Food New Zealand and support this event's ongoing success.

This year the show is packed with new and innovative products from leading local and international food, drink, and equipment companies, giving you the opportunity to enhance your business, secure the best deals, and network with potential business partners.

Check out the schedule of events on page 9 to see all of the live action, with a range of competitions and seminars happening every day of the show. Fine Food New Zealand is packed with features this year, giving you so much to see and enjoy. Plus, there is plenty of opportunity to learn from industry experts with free seminars from Ministry for Primary Industries, Worksafe NZ, James & Wells, NZTE, and more.

Make time to explore the 11 worlds including the substantially expanded Gluten Free & Allergen-Friendly Zone, developed in response to increased demand for more 'free from' products, plus Artisan Alley, a popular world that's all about small-batch, handmade, and traditional goods.

This year sees the launch of the prestigious new Fine Food New Zealand Innovation Awards, which are designed to recognise real innovation by companies in the food, beverage, packaging, equipment, and other relevant sectors. Take time to view the Innovation Awards Showcase and look out for award entrants (and winners) as you explore the show.

Finally, on behalf of North Port Events and everyone involved in bringing you this comprehensive and hugely exciting event, we welcome you to Fine Food New Zealand 2016.
